

HAG LIMITED

ENVIRONMENTAL POLICY

HAG Limited, manufacture, service, repair and maintain security doors to companies throughout England & Wales. HAG with over 5000 customers is one of the largest companies of its type.

It is our policy to do all that is reasonably practical to ensure that any/all environmental issues are assessed and reviewed relating to the services, processes, purchasing, waste, site locations and employees, including; Air Quality, Hazardous Substances, Carbon Emissions, Nuisance, Waste, Water, Electrical Equipment, Nature Conservation and Transportation.

HAG Ltd are committed to:

- Comply with all relevant legislation and regulations;
- Regularly review the environmental impact of our activities, endeavour to reduce our overall environmental impact and prevent waste using best practice techniques;
- Providing, updating and maintaining information and records to monitor the company's progress,
- Providing training and instructions to enable employees to perform their duties efficiently and in an environmentally conscious manner,
- Maintaining a constant and continuing interest in environmental management matters applicable to the companies activities,
- Making the policy available to the public and all interested parties i.e. subcontractors,
- Continuous improve resource efficiency (including our water, energy and raw materials).

This policy is run in conjunction with the HAG Health and Safety Policy, action plans and Quality Policy.
