

HAG QUALITY POLICY

HAG Limited are committed to manufacturing and supplying a product and service that will meet and exceed the requirements of our customers.

The quality system defines the procedures that facilitate the achievement of HAG Limited objectives and to develop a total quality culture.

To achieve this, our policy is to:

- Maintain the Quality Management System that meets ISO 9001-2015 and applicable Regulatory Requirements.
- Regularly review every aspect of the Quality System to promote a continuous improvement culture that benefits both the customer and HAG Limited.
- Train and develop people to achieve our objectives and to promote best quality practice throughout HAG Limited

Signed on behalf of HAG Limited.

Mr. Paul Dunne
Managing Director
